## MWF Fundraising Banquet

Come join us Saturday night for an evening of fun, friendship, and fundraising for MWF's grassroots efforts to ensure the future of fish and wildlife in Montana. Door prizes, live and silent auctions, raffles....something for everyone!

**Hunting and fishing** - our opportunities, our game, and the habitats needed to sustain them and our heritage are all facing many threats and challenges - the list is long and the stakes are high!

How are hunters and anglers going to respond to increased commercialization, privatization, the loss of access, outfitter set-asides, public land management, maintaining instream flows, devaluing the benefits of the non-guided everyday sportsperson, habitat loss due to inadequate planning, new fish and game management proposals, and of course - proposals at the 2009 legislature that may attempt to diminish opportunities for everyday hunters and anglers or disconnect us from the resources we have built over the past 100 years.

There is a tremendous need for hunters and anglers to come together, share our thoughts, concerns, strategies and vision for our future.

Montana Wildlife Federation is deeply concerned with these issues and equally concerned about hunters and anglers working together. MWF cordially invites you to come together at a groundbreaking opportunity for us all to share our concerns, our interests and to talk about hunting and fishing issues and wildlife management in Montana.

**Payment by Credit Card can be made thru our secured website or by calling (800) 517-7256 or mail (prior to April 15, 2008) the completed form below with your check to:
